# MARCH ON WASHINGTON

## JOIN THE MARCH ON WASHINGTON — AUGUST 27, 1983

*This is Mayor Kenneth A. Gibson : I am co-chairperson of the N.J. Coalition of the August 27, 1983 March on Washington. I am calling upon all of the residents of New Jersey to commemorate the anniversary of Dr. Martin Luther King Jr.'s I have a Dream Speech, by going to Washington August 27, 1983 to join the 20th Anniversary March on Washington.*

*Only a massive turnout in the streets by the people who cherish Dr. King's dream of Jobs, Peace and Freedom will make Reagan stop the massive arms build up which is taking money from our human needs programs, and ruining our cities. New Jersey has a special need to march for Jobs, Peace and Freedom because our state has four of the poorest cities in America. The future of our Nation, State and City is in your hands. Are you ready!*
